

I Hear The Call

作詞・作曲 岡 秀年

静寂の中で囁く心
この人生を導いてゆく

あの頃の情熱失ってないと
信じていたい 俺がいる

記憶の中に埋もれたものは
優しさばかりかも知れないけれど

Close my eyes, then I know I've lost nothing.

I hear the call from the past. I hear someone is calling me.
I hear the call from the past. I know that is me, that is me.

懐かしいけれど もう戻れない
悲しいけれど もう帰れない

あの頃の思い叶えてみせる
こうなる事は分かっていた

戸惑うよりも 受け入れることで
空っぽの心 乗り越えていく

Close my eyes, then I see the same future.

I hear the call from the past. I hear someone is calling me.
I hear the call from the past. I know that is me, that is me.

I hear the call from the past. I hear someone is calling me.
I hear the call from the past. I know that is me, that is me.
